Dear Friend of Rotary,

Your generous donation for door prizes contributed significantly to the "sold out" success of our twenty-second annual spring fashion show held April 16 at the Royal Vancouver Yacht Club. Enclosed is a copy of the program within which we encourage the attendees to "support our supporters".

Our group of Rotary Women has been doing "good deeds" in the greater Vancouver area for eight-six years, most recently with women, children and babies in the areas of shelter, safety, health and education.

Thank you for your participation.
