Beautify Me: Open Sundaes/Fuzzy Bunny - August 23

If you are a Wickedly Chic reader from Canada, then you may have already been lucky enough to shop this indie store in person. This week's feature is the ultimate cure for a girls sweet tooth. Vancouver-based business **Open Sundaes** has an delicious array of yummy smelling bath and body products. Their store features a whimsical girly feel with so much pink and fluffiness you'll fall in a bath sugar coma!

Their Cupcake Solid Bubble Bath is to die for. After plopping one of these into a bath, I was surrounded with luscious soft bubbles and the sweet scent of Blue Hawaii. A little relaxation and imagination and I was off to a coconut filled island.

The next day I treated myself to a shower with an All Over Body Wash in Fresh Grapefruit. This scent is true to its name. Not too sweet, and the perfect tartness for the citrus fanatics.

Open Sundaes offers a huge line of sweet smelling treats for your bath and body. They offer online shopping for all of us here in the US and various locations to purchase in person in Canada. Head over to Open Sundaes as they are offering **free shipping** on orders within North America for purchases over \$50 CDN.
